

## Single-Gang, 1-4 Port

The Primex Single-Gang Wall Plates for Cat5e, Cat6 and SC/APC jacks offer application scalability in a small footprint.

Easily installed, these jacks are quick-swappable from one to four ports. Compatible with standard Cat5e, Cat6 and SC/APC keystones, they offer scalable access to high-speed data on the premises.

Pair them with Primex keystones for a complete wall plate solution.

### Features & Benefits

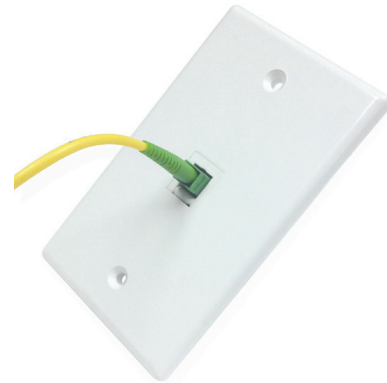

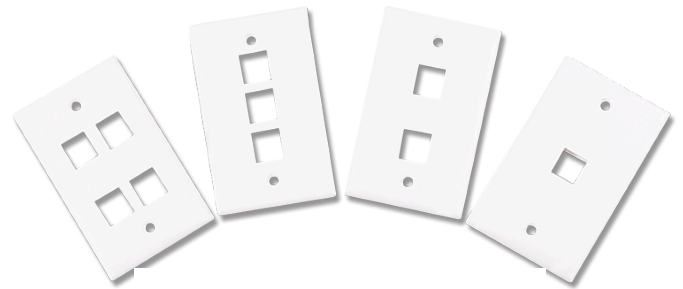

- 1-4 port options for fitting standard Cat5e, Cat6 and/or SC/APC keystones
- Single-gang faceplate houses multiple ports in a small footprint
- Pairs with industry standard keystones jacks
- Classic white
- Includes two mounting screws
- Pairs perfectly with Primex Low-voltage mounting bracket (LVMB)

### Dimensions

Fits standard electrical boxes
