

## Universal Mounting System

The patented Primex Universal Mounting System (UMS) helps secure devices inside of the SOHO Pro Media Panel.

The solution includes a plate, mounting tape and pushpins, and is compatible with SOHO Pro P2100, P3000, P4200, and PR1500 SOHO Pro™ Media Panels.

The durable plate snaps into place quickly via the pushpins while the tape allows for versatile component configuration. Available as individual pieces or as a kit.
