

## Adapters for SOHO Pro Media Panels

The Primex Conduit Reducers allow for secure, fitted placement of conduit within Primex SOHO Pro Media Panels.

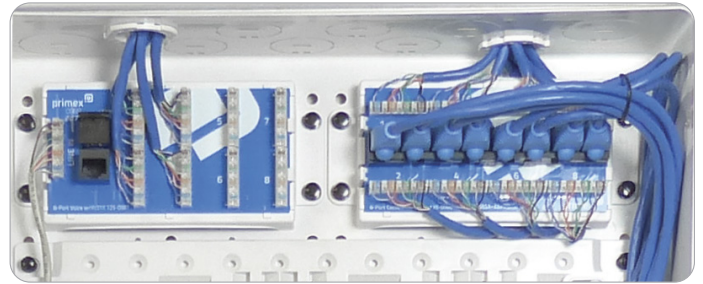

Available in two sizes, these quickly and easily adapt the knockouts on Primex Media Panels to industry standard conduit diameters.

Fits Primex models: P2100, P3000, P4200, PR2300.

### Features & Benefits

- Two sizes to fit most industry standard conduit diameters
- Snap-in design allows for easy placement into Media Panel knockouts
- High-quality ABS Polymer for long-lasting reliability

### Dimensions

Size: Fits 1" and 0.85" conduit (external)
