

## For 90° & 180° Cat5e/Cat6 Jacks

The Keystone Jack Crimping Tools provide high grade field installation, repair and maintenance of Cat5e/6 cabling.

Available in 90 or 180 degrees, these crimping tools ensure quick and consistent connectorization for standard cable diameters.

The rugged housing seats, cuts and terminates eight wires cleanly.

### Features & Benefits

- Available in 90 or 180 degrees for a range of keystone installation applications
- Hard plastic grip and leveraged cutter to help reduce chance of repetitive strain injury
- Ruggedized metal to ensure long-lasting use
- Works with all Primex keystone jack
- UL/cUL listed

### Dimensions

Size: H 3.6" / W 7.75" / D 1.1"
