

## 1. SUMMARY

The Primex Decorative Insert and single-gang Wall plate for Cat5e, Cat6 and SC/APC jacks offer application scalability in a small footprint.

Easily installed, these inserts are quick-swappable from one to four ports. Compatible with standard Cat5, Cat6 and SC/APC keystones, they offer scalable access to high-speed data on the premises.

Pair them with Primex keystones for a complete wall plate solution.

## 2. DIMENSIONS
