

PRIMEX SOHO PRO™ MEDIA PANELS REPLACING MEDIAMAX ENCLOSURES

Primex will no longer be offering MediaMax enclosures as of September 30, 2020. Customers will now be offered solutions from the industry-leading, Primex SOHO Pro™ Wi-Fi transparent Media Panel line. We are committed to working with our customers to help transition to a more complete offering and ensuring your needs continue to be met.

We will continue to strengthen our product lineup with the addition of the SOHO Access™ metal enclosures and accessory lines to provide a broader range of connectivity options to our customers than ever before.

We understand it can be a challenging transition and we're here to provide solutions. To learn more, contact us at: SalesSupport@primex.com / 1.604.881.7875
