## Product Specifications

# SMC

## Side Mount Clip for Narrow/Deep Media Panels

### 1. SUMMARY

The Primex Side Mounting Clip (SMC) allows for Media Panels to be installed into the stud via the sidewall of the enclosure.

This installation accessory works with all Narrow/Deep models of Primex Media Panels (P2100ND, P3000ND, P4200ND, PR1500N).

Additionally, it supports mounting tape for cable management within the Media Panel.

### 2. DIMENSIONS

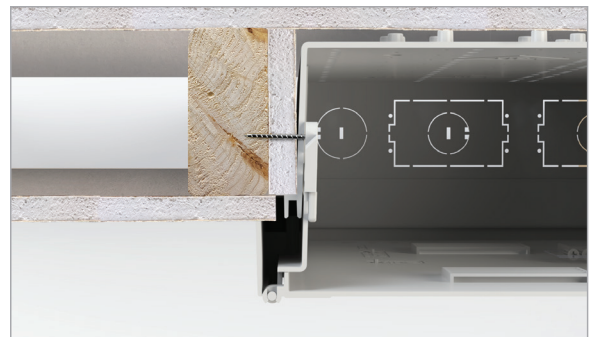

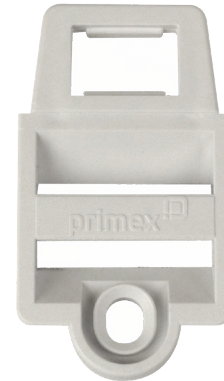

Fits all Primex Narrow/Deep model Media Panels

### 3. FEATURES & BENEFITS

- Side Mount Clips (SMC) available for side mount installation in non-standard stud spacing.
- Fits all Primex Narrow/Deep models for ease of installation.
- Ideal for building codes requiring drywall inside stud base.
- 4 clips required for installation in P2100ND, P3000ND, PR1500N; 6-8 clips for P4200ND.
- Additional clips can be added to Narrow/Deep Media Panels for cable management when used with mounting tape.
- Comes in box of 40 for on-site bulk installation.
- Includes mounting screws.
- UL-listed for heightened safety and durability.

### 4. CONFIGURATIONS

Part #	Part Name	Description
125-1777	SMC	Side Mounting Clips (40pc)
125-0779	UMT10	33' (10m) roll of mounting tape
125-1274	UMT3	10' (3m) roll of mounting tape

Side mounting in non-standard stud spacing ensures a secure installation.

Installed SMC for affixing sidewall to stud.

SMC fits mounting tape for cable management.
