Product Specifications

Conduit Reducers

Adapters for SOHO Pro™ Media Panels

1. SUMMARY

The Primex Conduit Reducers allow for secure, fitted placement of conduit within Primex SOHO Pro™ Media Panels.

Available in two sizes, these quickly and easily adapt the knockouts on Primex Media Panels to industry standard conduit diameters.

Fits Primex models: P2100, P3000, P4200, P6300, PR2300.

2. DIMENSIONS

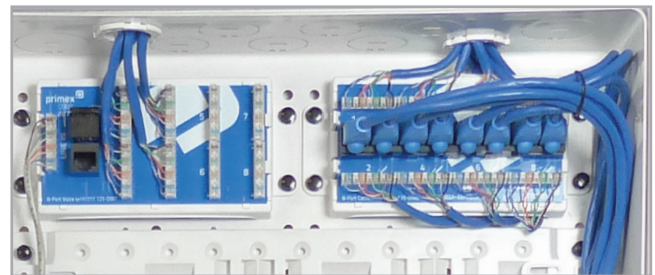

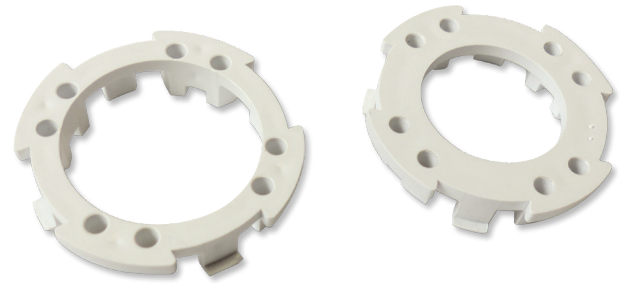

SIZES: Fits 1" and 0.85" conduit (external)

3. FEATURES & BENEFITS

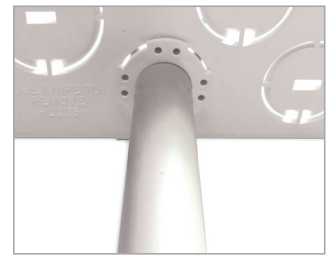

- Two sizes to fit most industry standard conduit diameters.
- Snap-in design allows for easy placement into Media Panel knockouts.
- High-quality ABS Polymer for long-lasting reliability.

4. CONFIGURATIONS
