

# WAVE OSP ENCLOSURE SERIES

## FLEXIBLE, RELIABLE, SINGLE-FAMILY AND MULTI-DWELLING SOLUTIONS TO FIT YOUR NEEDS

Whatever the scale and complexity of your network installations, Primex' fiber solutions help you manage today's OSP infrastructure challenges.

High-grade, UV-protected, engineered plastic made in North America for secure, long-lasting protection in demanding weather conditions.

- **MOUNT:** Wall and pole mounting bracket options for quick and easy deployment.

- **RELY:** UL-listed, sealed gasket and standardized mounting hole pattern.

- **CONNECT:** Simplex or duplex SC/APC fiber adapters.

- **SECURE:** Snap lid and hex bolt provides secure access 24/7.

- **SPLICE:** Fiber splice holders (Tray, FTC, FTO) to route and secure fiber.

- **IN/OUT:** 3/4" to 1" ports with grommets for protected cable entry and exit.

For additional enclosure options contact your regional account representative or [salesupport@primex.com](mailto:salesupport@primex.com)

### Single Family Series

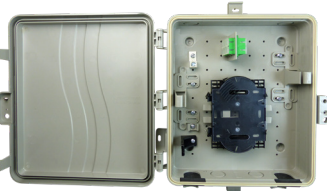

### 1-2 Fiber Enclosures

	P350FSC-THG2SA
	125-1898 - Up to 2 fibers
	Hex, gasket, 2x SC/APC, ground lug, fiber clip
FTTH SFU retrofit fiber applications for single units with a second fiber expansion for suites.	

	P700FSC-CHG1SA
	125-1691 - 1 fiber
	Hex, gasket, SC/APC, 2x flat grommets, 1x extra conduit grommet, 2x HClips, ground lug, fiber cradle, FTC
FTTH SFU, retrofit brownfield applications where fiber is required.	

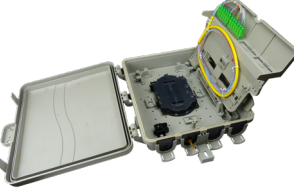

### Multi Dwelling Series

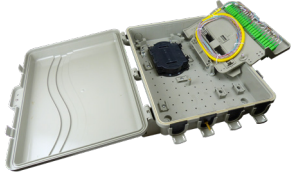

### 12-24 Fiber Enclosures

	P1000MFSC-THG6SA
	125-1345 - Up to 6 fibers
	Hex, gasket, 6x SC/APC, fiber tray, 2x grommets, 2x HClips, ground lug, fiber cradle, fiber ladder
Large enclosure with duplex SC/APC fiber adapters to splice and connect up to 6 fiber applications.	

	P1000DXFSC-THG12SA
	125-1818 - Up to 12 fibers
	Hex, gasket, 2x spider spool, fiber tray, 3x HClips, 6x SC/APC duplex adapters
Mid-size FTTx splice/connect with ample slack storage.	

	P1500SSFSC-THG24SA
	125-1708 - Up to 24 fibers
	Hex, gasket, 24x SC/APC, splice tray, 3x HClips, 4x CTM, GBBlock, 4x ports (3x flat/TWLug), wall mount
Large FTTx splice/connect with ample slack storage and expansion.	

	P1000MSSFSC-THG12SA-RSD
	125-1736 - Up to 12 fibers
	Hex, gasket, Service Divider, 12x SC/APC, splice tray, 2x 90° clip, SRClamp, 3x UMT, raised cable cradle, 4x ports, wall mount
Mid-size enclosure ideal for 12 fiber MDU applications.	

	P1500SSFSC-THG24SA-RSD
	125-1767 - Up to 24 fibers
	Hex, gasket, Service Divider, 24x SC/APC, 2x splice trays, 2x 90° clip, 4x UMT, 2x raised cable cradles, GBBlock, 4x Ports, Wall Mount
Large enclosure ideal for up to 24 fiber applications.
